COLLEGE MANAGEMENT APP

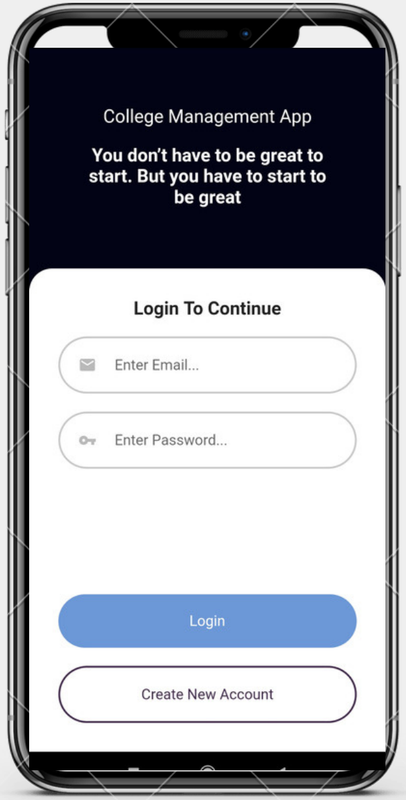
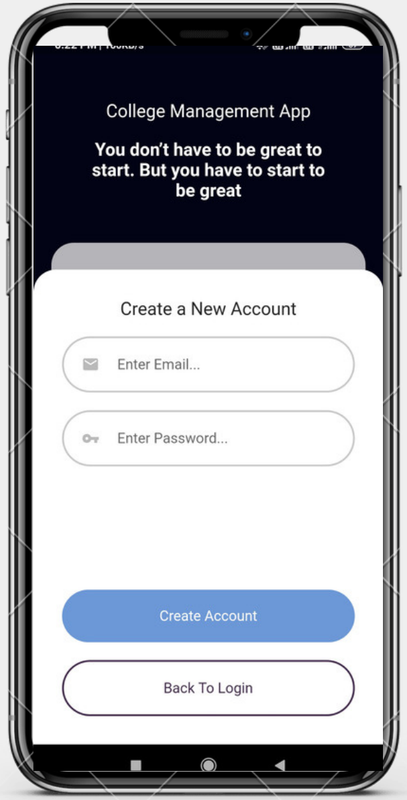
Product Mockups

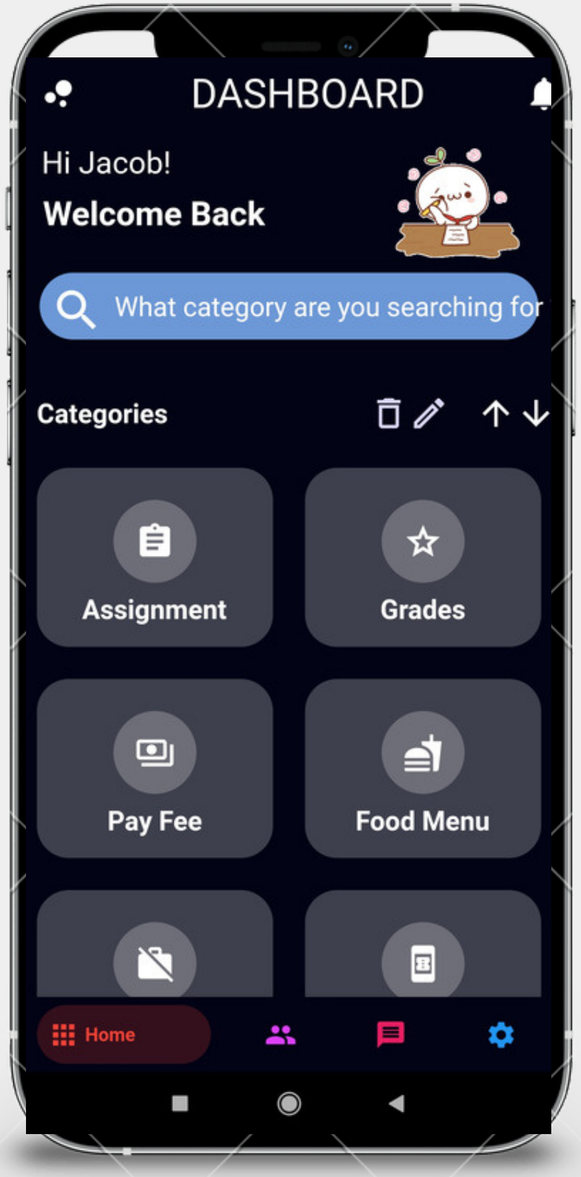


- You will be asked to create an account with your MU email for the first time. (left picture)
- Rest of the times, you just have to login with the password you set! (right picture)



COLLEGE MANAGEMENT APP

DASHBOARD



01 After you login, you will be taken to the Dashboard, where you have most of the options which are being used by us in the college through various websites.

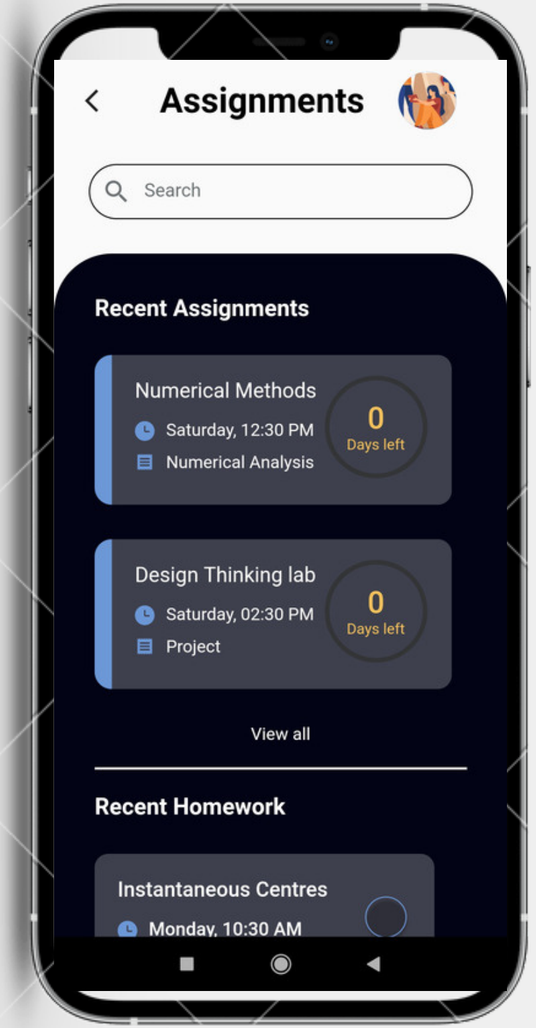
02 So basically, every work can be done in the comfort of your hostel room or your home...with a single tap!

COLLEGE MANAGEMENT APP

ASSIGNMENT

01 We generally submit our assignments through Euclid, or the links our faculty send us for their respective subjects.

02 It can be chaotic especially when searching for those particular mails with submission link or with due dates.



03

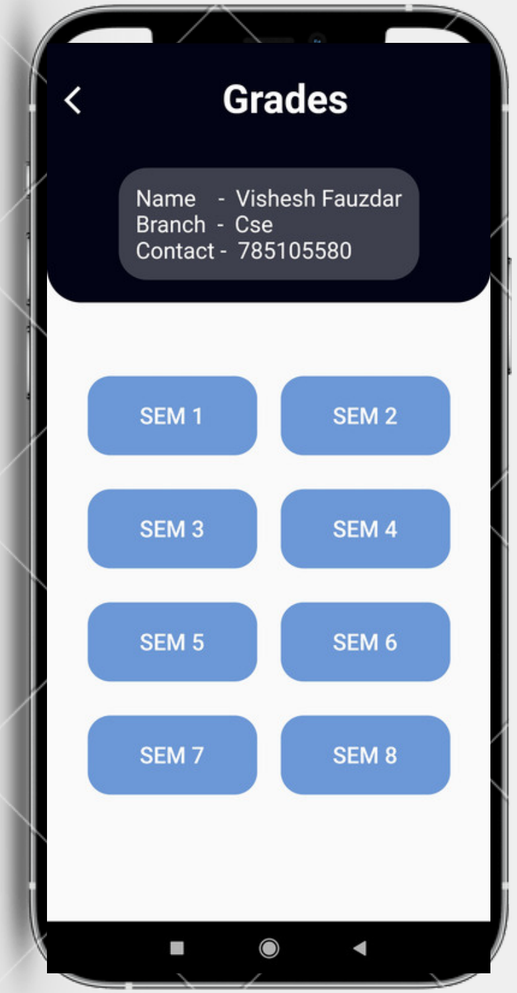
- Here, you can submit every subject's work through the Assignment option.

04

- You can also have clear idea about submission dates of every assignment with which, you can plan your work accordingly.

COLLEGE MANAGEMENT APP

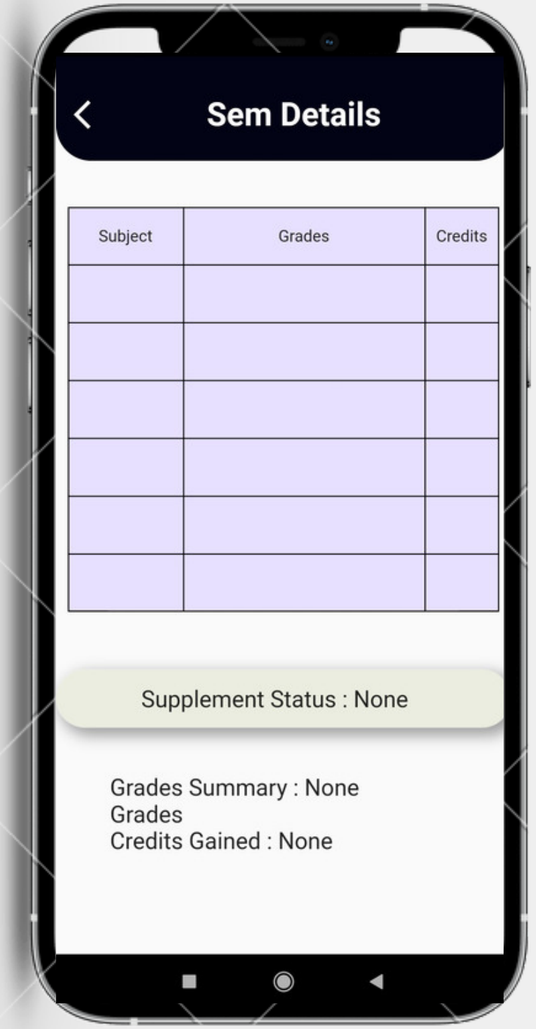
GRADES



01 Our college has provided us a separate MU Portal link for checking grades.

02 By any chance, if you forget password, you have to contact office. It is very uncomfortable considering the fact that we get our results during our vacation period.

03 Here, you can just go to Grades section to view your subjectwise grades, credits and overall grade.



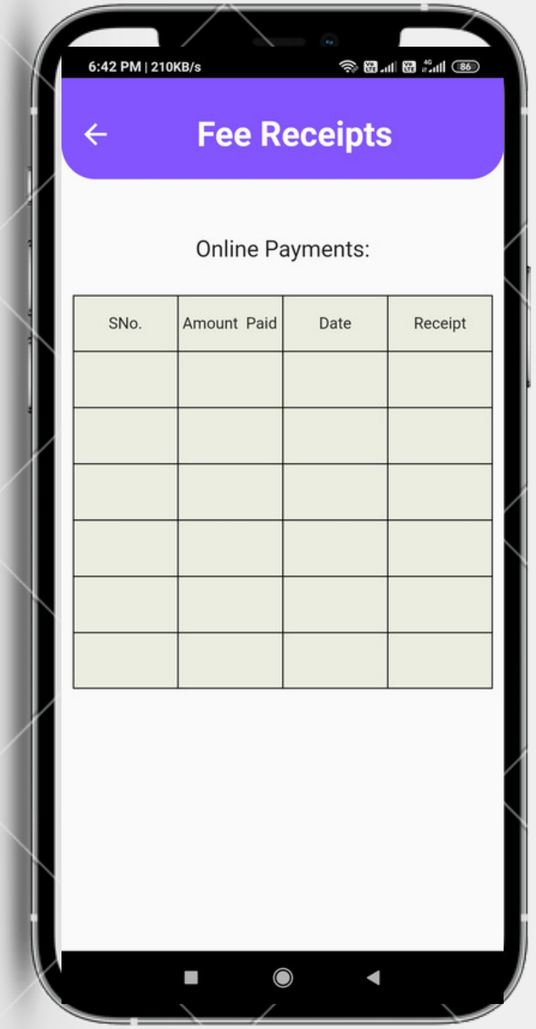
COLLEGE MANAGEMENT APP

PAY FEE

01 We have to log into a different website i.e., payfee portal every time with entirely different credentials to pay our fee.

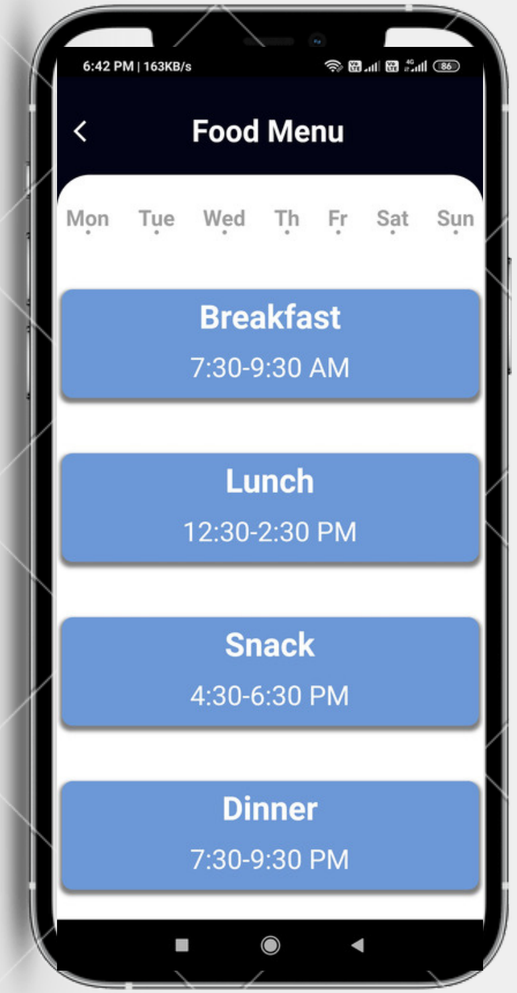
02 And again, forgetting password would cause trouble. Here, fee can be paid online through the Pay Fee section.

03 You can also download the receipts of every payment.



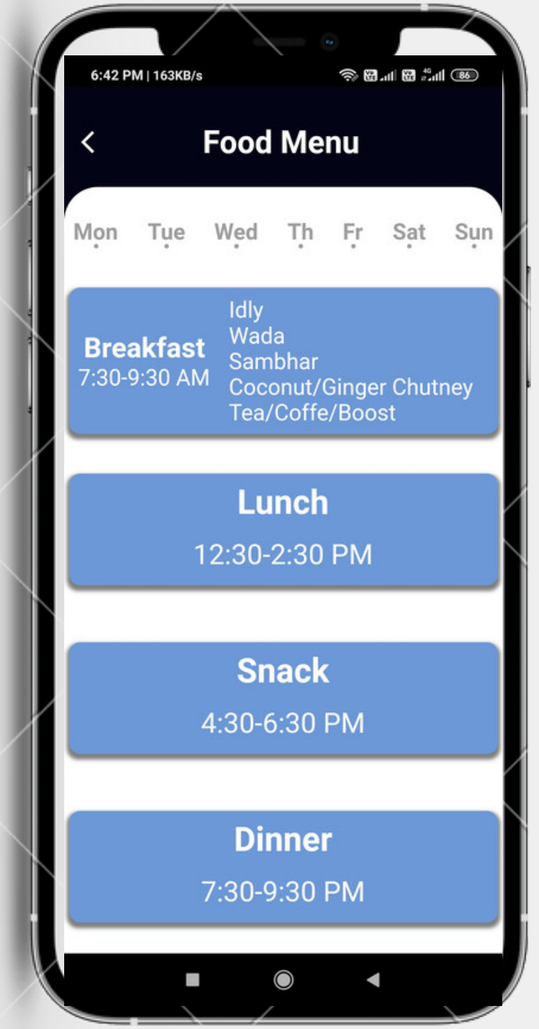
COLLEGE MANAGEMENT APP

FOOD MENU



01 We have been receiving menus through WhatsApp every week.

02 Instead, whole week's menu can be checked in Food Menu section by choosing the day above.



COLLEGE MANAGEMENT APP

ACADEMIC HOLIDAY CALENDAR

01 Easy to access through app
